Welcome

The campsite is located in the green outskirts near the city of Brussels.

It is a small and charming place, where you are always welcome either with a tent, a caravan or a motorhome.

We only have pitches for tourists.

All the pitches offer at least 80m² and provide possibilities for electricity hookup (10 amp).

All tents, caravans and motorhomes are welcome on our campsite.

A large field just for tents and special pitches for motorhomes on hard standings are available.

Easily accessible disposal areas for (chemical) waste and for watering are at your disposal.

The spacious and modern sanitary unit is heated during colder periods of the year. It provides you with all possible facilities and is cleaned at least once a day. Showers and washing facilities have both cold and hot water (included in our day-tarif!). A special bathroom and shower for disabled people, as well as a baby-room are included. A washing machine and a dryer may be used at an extra fee.

At a distance of 200 m. from the campsite you will find a busstop De Lijn 232 to go to Brussels? North Station. With the exception of the Sunday morning buses are scheduled every hour.

The center of the village of Grimbergen is within walking distance of the campsite. Next to the campsite are several good restaurants.

At about 1 km. away the Thermae Grimbergen offer you a spa-center for the whole family with sauna, swimming pool, massage, etc.

In our office / reception you will find a wide range of tourist information about visits in the region, walking and biking tours and more.
